RESPONSE TO RESTRICTION REQUIREMENT

The Office Action of March 27, 2006, requires Applicants to elect from three groups of claims. The Office Action does not mention claims 1-10 (assumed to be due to a typographical error, as the first group should be claims 1-14). The Office Action does not mention claims 30-43, which are method claims, that it is believed should be grouped with claims 15-29. Finally, the Office Action does not mention claims 44 and 45.

In response to the Office Action, Applicants elect claims 15-43 (all the method claims in the application).

Respectfully submitted,

David Aker
